

15th August 2024

Dear Families,

School Meal Price Increase

We are writing to let you know that, after careful consideration, we are having to increase the cost of school meals.

This decision hasn't been taken lightly. We have tried to absorb rising costs for as long as possible, but with the significantly higher costs of food supplies and energy we feel we now have no choice. We still continue to provide a nutritious, value for money meal at a non-profit making price.

The cost of a school meal for years 3 to 6 will rise to £2.60, and for Nursery to £2.30.

This increase will take effect at the start of next term, from 3rd September 2024.

The Universal Infant Free School Meals (UIFSM) project is still in place, and this means that all children in Reception, Y1 and Y2 can be provided with a school meal free of charge. As well as hot meals, our school meal provision also includes a sandwich option (pick and mix) and is a great solution for those who would normally bring a packed lunch. The UIFSM is not means tested and is for every child in Reception, Y1 and Y2.

If your child is in Y3 to Y6 they can also have a free school meal if you are in receipt of certain allowances. You can apply for free school meals here:
https://forms.sheffield.gov.uk/form/auto/apply_school_meals

Please contact the school office for help in completing forms or for more information.

Thank you for your support and understanding.

Yours sincerely

Ian Read
