

22<sup>nd</sup> May 2024

Dear Families of children in F1 to Y5,

## **New Classes for September 2024**

We usually send home a letter just before the Spring Bank holiday, telling you which class your child is in from September.

Due to possible staffing changes, we need to delay sharing this information with you until a final staffing structure has been finalised.

Children will have transition sessions with their teacher for next year later in the summer term. There will be a meet the teacher session with your new teacher. More information will follow closer to the time.

We will update you further as soon as we are able.

Yours sincerely

C. L. Bradley

Ian Read  
Headteacher

Claire Bradley  
Head of School
