

8<sup>th</sup> September 2025

Dear Families,

## OfSTED Report

Please find attached to the email with this letter is the OfSTED report following the inspection that took place before the summer holidays. The inspection was certainly a thorough process and we are pleased that the report reflects the key strengths of our school.

Although we have never done things just to satisfy OfSTED, it is nice to be validated for the hard work that staff put in day in and day out to make Watercliffe the place that it is. One of the nicest things about the inspection for us was the number of positive comments and feedback we got from parents.

We are already thinking about how we can continue to improve what we do and what we offer.

Thank you as always for your support.

Yours sincerely

C. L. Bradley
