Dear Families,

Parent Governor Vacancies

We have a very exciting opportunity for two parents/carers to join the Governing Body of our school to help with future developments and to be a voice representing our parents and carers.

There are three committees that make up our governing body; the Strategic committee, the Inclusion committee and the Finance and General Purpose committee. The chairs of these committees are part of the Strategic committee along with the Headteacher, Head of School and members of the Senior Leadership Team.

The most important aspect of becoming a governor is a willingness to contribute your time and energies for the benefit of all of our children.

Our governing board strives to be inclusive, diverse and representative of our school community.

We are very proud to be at the heart of the Shirecliffe community, which has welcomed many new families and become increasingly diverse in recent years. We now have 28 different languages spoken by our families!

To celebrate our community, our governing body aims to reflect this diversity with its members.

Training can be tailored to anyone's needs so please don't let inexperience hold you back.

Interested but worried about what you have to do?

We provide full training for new members and you will always be supported by the other Governors on the team.

Interested but not sure if you have the time?

Governors are expected to attend 3 full Governing Body meetings each year. Attendance at other meetings depends on how involved you are in the various committees and working parties.

Interested but want to talk about it? Please call into the office or email Rachel Stone on rstone@watercliffe.sheffield.sch.uk to discuss this further.

Interested parties would be invited to observe our next Full Governors' meeting on Wednesday 12th November at 5pm.

Convinced you can do it and want to have a go?

Please contact Rachel Stone on rstone@watercliffe.sheffield.sch.uk to nominate yourself no later than **Wednesday 12th November at 12pm.**

If more than two parents/carers nominate themselves, each candidate will be asked to provide a written statement and an election will be held, inviting all parents/carers of children in our school to vote. If you are successful, the term of office is 4 years. Good luck!

Yours sincerely
