Field Trip to Beeley Wood

Dear Families,

As part of our Field Trip to Beeley Wood Geography unit on rivers, Year 5 will be visiting Beeley Wood to conduct fieldwork.

The visit will take place over two days: **Monday 9th March and Tuesday 10th March**. The year group will be split into five groups, with each group attending during one of the sessions across these two dates. Please refer to Schoolcomms email for specific information about which group your child has been allocated to.

During the visit, children will spend approximately 1 hour and 15 minutes by the river carrying out their fieldwork activities. All groups will return to school in time for lunch and will remain in school for the rest of the day. The groups will be no greater than 12 children and supervision will be tight to ensure safety around water.

Please ensure your child comes to school wearing appropriate clothing and suitable footwear (such as wellies) for outdoor fieldwork near the river.

There is no charge for this trip; however, permission is required. Please provide consent via School Comms.

If you have any questions, please do not hesitate to contact a member of the Year 5 Team.
