

18th March 2026

Celebration for Eid

Dear Families

We have an exciting date coming up after the Easter holidays for you to watch out for; our Eid celebration!

This year, we will be holding our Eid celebration at the end of the day on **Wednesday 15th April**. Eid is a special celebration, as are other religious festivals. We are proud of the diversity of our school and community, and hope that you will join us whatever your faith or beliefs. The event will open **at 3.20pm, running until 4.00pm**.

Parents who have been celebrating Eid are welcome to bring Eid food to place on stalls on the bottom MUGA, if they wish to, as well as dress in their Eid clothes. There will also be a piece of Eid cake available. In school, the children will be attending a special Eid assembly to learn more about Ramadan and Eid around the world; this will be mainly led by our children. On that day, all children will be offered an Eid meal at lunchtime, as a part of the celebration. Children can bring Eid clothes to change into before lunch if they want to.

Please note that the menu will be changed for Eid Day on Wednesday 15th April. It will be Lamb curry with Ice cream as dessert. On Thursday 16th April it will be Roast Pork with Apple flapjack for dessert.

Our wonderful families prepare some delicious food, although it may contain some allergens. All children will be wearing allergy stickers, but as this is an after school event please ensure you check with your child. Food can be brought into school from 2.45pm.

We wish all those celebrating Eid this week a lovely time!

Yours faithfully,

Ian Read
Headteacher

Claire Bradley
Head of School
