Dear Families of children in Year 3 and Year 4,

Watercliffe Meadow Sports Day for Y3 and Y4 children

1.00pm Tuesday 9th June 2026 on the running track and MUGA

On Tuesday 9th June, Watercliffe Meadow will be holding one of our four School Sports Days that we have arranged for the children to enjoy this year. This event is for all children in Year 3 and Year 4 and it will be held on the school field.

We are very busy planning an action packed, fun filled afternoon with games and activities for all the children to join in with. The fun starts at 1.00pm.

All families are very welcome to come along to the Sports Day - we know you like to come along to events like this to support your children. There will be a parents viewing area on the field, along with a stall selling drinks for spectators only.

Parents will be able to get onto the field and track through the gate on Shirecliffe Road. Please note that to ensure the safety of the rest of the children in school this will be the only entrance that will be open.

Due to Safeguarding, if you need the toilet you will have to walk to the main entrance into school via Shirecliffe Road and not cut through school. We will need families to stay in the viewing area and support the children as they take part in the different races and activities.

On the day, your child will need to come to school in their normal uniform. In order to take part, please send your child to school with their PE kit and trainers:

- Shorts or tracksuit bottoms and a coloured T shirt / top (in their "House" colour!)
- Outdoor trainers/plimsolls

As a safety precaution, we also advise that, should the weather be sunny, you provide your child with sunscreen, a cap or hat and a bottle of water.

Please support us by ensuring your child is not wearing any jewellery, as it will have to be removed to ensure the safety of all children.
